WOOD FRAMES

There are three groups of frames: Good (A), Better (B), Best (C), Superior (D) and Luxury (E) which include simple, modern, contemporary, classic and luxury frames selections. A liner must be chosen per group selection. The frame is Custom made based on the Projection Screen dimensions.

ART SELECTION

There are multiple arts of varied styles. The arts are printed on archival canvas. The printing process is called Giclee printing. A Custom Art can be provided to be reproduced with the proper usage rights and digital file size as your own artwork, family portrait, company logo, among many other images.
