

FEATURES

- Designed to the exact brand and model of the TV and the external speakers or soundbar.
- Great selection of Giclee fine art prints, wooden frames, and liners.
- Availability of printing client's custom art or photographs with authorized release.
- Portrait layout.
- Recessed or Surface mounted options.
- Recessed mounted includes TV mount only. The speakers must be mounted using the manufacturer's recommended mount.
- Surfaced mounted must use the manufacturer's recommended wall mount.
- Control System: IR or Low Voltage Switch or 12V DC Relay.
- 1 year warranty.

WOOD FRAMES

There are three groups of frames: Good (A), Better (B) and Best (C) which include modern, contemporary, and classic frames selections. A liner must be chosen per group selection. The frame is Custom made based on the TV make, model and dimensions.

ART SELECTION

There are multiple arts of varied styles. The arts are printed on archival canvas. The printing process is called Giclee printing. A Custom Art can be provided to be reproduced with the proper usage rights and digital file size as your own artwork, family portrait, company logo, among many other images.

IMPORTANT

- ❖ Some 3D TVs have dynamic contrast control function that adjusts the brightness according to the room's ambient light. The DECORATV system will not allow this function to work.
- ❖ DECORATV is a CUSTOM PRODUCT. It CANNOT BE CANCELLED. It CANNOT BE RETURNED.
- ❖ The estimated production lead time is APPROXIMATELY 15 business days.
