

## FEATURES

- Designed to the exact TV's brand and model.
- Fast and easy installation.
- Includes padding for bezel protection.
- Built-in IR repeater.
- Landscape or Portrait layout.
- 1 year warranty.

## WOOD FRAMES

There are three groups of frames: Good (A), Better (B) and Best (C) which include modern, contemporary, and classic frames selections. A liner must be chosen per group selection. The frame is Custom made based on the TV make, model and dimensions.

## IMPORTANT

- ❖ Some 3D TVs have dynamic contrast control function that adjusts the brightness according to the room's ambient light. The DECORAFrame system will not allow this function to work.
- ❖ DECORAFrame is a CUSTOM PRODUCT. It CANNOT BE CANCELLED. It CANNOT BE RETURNED.
- ❖ The estimated production lead time is APPROXIMATELY 10 business days.
